Description

Las agüitas is a subdivision with lots in irregular low, medium, and high relief with areas from 1000mts. A privileged and panoramic view, its location just 200 meters from the dual carriageway and 4 minutes from the Buga Basilica make this a visionary project in a perfect climate surrounded by nature and fauna. The lot will be delivered with a concierge and 24/7 surveillance, paved access roads, public lighting. Ideal for country houses.
