Description

I present to you this beautiful property just thirty minutes from Bogotá in La Calera, in the village of El Salitre, 1000 m from the main road. It is surrounded by native forest from which a water spring descends, so it has a cistern or well with the possibility of drilling for access to natural water according to the CAR. In the middle of this mountainous environment is the 500 m house with balconies around it with a unique view. Upon entering it, there is a large space in which there is the living room, dining room and kitchen with an island for use as a side table. dining room. The ceilings are made of very high Spanish tiles and have exposed beams that are in harmony with the Spanish style given by its floors and the ceramics on the wall and on the steps that lead to the corridor of the rooms and the mezzanine. It has two fireplaces. Upon entering to the left are the three bedrooms each with its bathroom and dressing room. The main room has a balcony. To the right is the living room and the staircase that leads to the open mezzanine with a view of the entire house. It goes out to a large terrace. Next to the kitchen there is a corridor that leads to the service room with its bathroom and laundry area and some stairs that go down to the garage with two parking spaces and an area to build a jacuzzi. The area is very safe as it is monitored 24 hours a day and is surrounded by country houses. Nearby are the Tilata, Los Alcaparros and Colina schools, with easy access to public services and courier services.
