Description

Located in an exclusive area of the city of Bogotá, on the first floor of a traditional building, corner apartment with natural light, spacious, comfortable and excellent distribution. At the entrance is the hall that separates the social and private areas and the guest bathroom. The rooms are spacious and comfortable, the main one has two closets with ample storage capacity and a private bathroom, the other two rooms share a bathroom. The dining room is on two levels that demarcate the spaces very well. At the back is the full kitchen with plenty of floor-to-ceiling cabinets, a natural gas stove, two electric burners, a double sink, and a dishwasher. There is also the laundry area and the service room with bathroom. In the basement there are two parking spaces and a storage room.

A very complete apartment, well located and easily accessible by different routes.
