Description

You'll be able to enjoy this innovative project with a discount of over 300 million Colombian pesos compared to the showroom price, on a 551.67 m2 flat lot and a Z-type house of 185.6 m2 where you can choose the location of the rooms and the terrace.

Amidst 6,000 m2 of green space, surrounded by water and forest, you'll experience a NOWORKING, a place to find disconnection, improvise a little, and get closer to family and friends.

It features a kitchen, a shared tool room, an open space for sports activities, yoga, and outdoors, a Teqball table, ping pong, BBQ, outdoor furniture, a playground, and walking trails.

You'll find HOUZEZ in the second quadrant of NAP, near the school district, in a location where you can enjoy the quality of the air, the tranquility of nature, and the mild weather of the East, without leaving Envigado.
