Description

Located on the third floor with an elevator, illuminated and with a very good distribution. The apartment has excellent finishes, comfortable rooms, bathrooms with tempered glass partitions, a bar in the kitchen and additional furniture for greater storage capacity. The Forte Puerta del Sol complex is located on the outskirts of Cajicá in an urban area but with the pleasure of the countryside and its charms. It is a relatively new complex and for this reason some social and recreational areas are under development.
